### Communication and interpersonal skills

**Defining my communication and Interpersonal skills** I will be accessing my own personal and interpersonal skills in relation to each other. I have good verbal communication as I interact with the people when I am speaking to them I listen to what their saying when they are speaking to me, I avoid distractions to make sure I am effectively listening to them at all times, usually all the time. As a result, I achieved those skills which I get from previous jobs place where we should communicate with different parties organization and others who are involve in agriculture sectors.

*I certify that the above maintained information are true and correct to the best of my knowledge and ability if given chance to serve you I assure you that I will execute for the total satisfaction of my superior.*
